COMPANY HISTORY

We are Japanese company that has been operating in Thailand for more than 10 years. It has more than 6 branches in Thailand and more than 4,000 employees in the system, including a parent company in Japan listed on the Tokyo Stock Exchange.

Our company operates a business of recruiting temporary employees, subcontracting employees, and providing labor contracting and piecework services in industrial areas throughout Thailand, including importing foreign workers (MOU), taking care of foreign workers, and various documents.

The work is carried out by a team with expertise in human resource management / accounting and taxation / factory management in the industry and is ready to help ease the burden of human resource management problems for customers with a team with experience in the subcontracting business.

OUR BUSINESS

TEMPORARY STAFF

In order to satisfy client needs, our organization has more than six branches and is experts at hiring employees.

- Recruitment of subcontractors
- Outsource
- Short-term employee
- Long-term employees
- Hiring workers to work outside the province

FOREIGN WORKERS (MOU)

We provide services for importing foreign workers and providing services for taking care of foreign work. We have a reliable, legal, and verifiable agency to support our customers. We import workers and process documents related to foreign workers.

- Providing services to take care of foreign workers, such as arranging accommodation, arranging transportation, taking care of employees' well-being, arranging language interpreters, taking them to see a doctor, opening a bank account, etc.
- Providing care for foreign workers' documents, such as document extension, 90-day reporting, changing employers, notifying of resignation, etc.
- Salary service for employees
- Prepare staff to coordinate with customers to ensure smooth operations.
